DISCUSSIONS

Richard Renneker, Sanitary Engineer, was present along with Douglas Rice, Sherman Terrace resident in Deerfield Township to discuss his displeasure with the Water Department's desire to construct a water tower adjacent to the existing water tower on Socialville-Foster and Snider Road adjacent to his residence.

There was much discussion relative to no adjacent property owners being notified about the second tower proposed for construction and his desire to relocate the tower.

Upon further discussion, the Board assured him they would review his concerns and discuss with the City of Mason the availability of land as an alternate location.

Upon motion the meeting was adjourned.
